The award-winning film, “Pray the Devil Back to Hell” by Abigail E. Disney and Gini Reticker, tells the story of Liberian women and their non-violent protests for peace after years of horrific violent civil war.

The Foundation for Women is joined by the Joan B. Kroc Institute for Peace and Justice, the USD School of Peace Studies, The Grauer School, and Jubilee San Diego to shed light on the power of women as agents of social change. Join us for a very inspirational screening and discussion. Hear about the Foundation for Women and co-sponsors’ activities that support the women of Liberia and learn how you too can make a difference.
